3. A deposit of a minimum of ten percent (10%) of the estimated cost shall be paid to the Hotel at the time of signing the contract. We ask that one hundred percent (100%) of your estimated bill be received three (3) working days prior to the function date. The entire balance of your event (additional guests/billings) must be paid in full at the conclusion of your event.
4. Upon credit arrangements being approved thirty (30) days prior to the function by the Hotel's accounting department, payment will be required upon receipt of billing statement.
5. A nineteen percent (19%) service charge and current sales tax applies to all charges.

Function space is assigned according to the anticipated guaranteed number of guests. If there are any fluctuations in the number of attendees, the Hotel reserves the right to assign the banquet function room accordingly, with prior notification to the client.
7. Confirmation of the number of attendees to any food and/or beverage function must be submitted three (3) business days prior to the function. However, we will be prepared to serve five percent (5%) over the guarantee. Should the guarantee exceed five percent (5%), we reserve the right to serve a substitute to the original entrée ordered. All charges will be based upon the guarantee, or the actual guests served, whichever is greater. If a guarantee is not submitted, as required, the original attendee figure will be considered the guarantee.
8. All menu selections shall be considered definite and not subject to change three (3) business days prior to function.
